developed. Nathan stated that devotionals are being sought to add in for each of the 6 weeks of the campaign.

Finance: Pat Ronne discussed the financial statements that were emailed to Vestry members. Jerry and Pat have started looking at the documentation for the endowments and when they will be able to be used. The budgeting process is going to begin shortly. Jerry will be collecting information from others.

Facilities: Peter Perera was absent. Linda stated no meeting held this month. There has been discussion regarding replacing the awnings over the courtyard.

Governance: David Lindgren stated that he distributed to the Vestry the resolution. The Vestry cannot amend our own by-laws, it has to go to convention. If amended at convention, then the Vestry can amend the by-laws as we see fit, with the exception of certain of those that pertain to the Bishop. David moved that the resolution be adopted as presented. Pat Ronne seconded, and majority accepted.

Strategic Planning: Jason reported that survey was reviewed, and it was determined that there was no need to re-survey the congregation. Matters will be discussed within the small groups. Some groups will be broader, and others will be more focused around individual topics. The clergy will be in their own small group. Discussion was had about possibly adding another person to the steering committee. There is question as to whether this will occur. The key will be working with the leaders and establishing the small groups. A meeting will be held on Thursday, August 25th.

Vestry Retreat: Date to be determined and discussed at Strategic Planning Committee meeting

Meeting Adjourned by Dean Baker at 8:26pm
