**Minutes of Previous Meeting:** Nathan stated that the Stewardship report should read that there will be a luncheon on September 16 at Candace's home. Linda moved to accept the minutes as amended, Nathan seconded, and the motion passed.

**Strategic Planning:** Linda reported on the progress of the groups, which will meet together on July 2. The leadership is looking for the 2013 ECF study, and will integrate the findings of the 2013 study into the work that is in progress.

**Stewardship:** Nathan reported that there was no meeting in June. At the July 11 meeting, the committee will begin planning the 2018 campaign. The luncheon on September 16, a thank you to all planned givers who can be identified, will be followed by an informational fair on planned giving. Also, vestry members reported on their efforts to call parishioners, following Bud's script.

**Finance:** Pat presented Dean Baker's five-year financial plan, which the Dean had presented to the congregation in November, 2016. The discussion was tabled, and will be resumed when the key features of the plan are committed to writing. Pat presented the draft financial statements for March, April, and May.

**Governance:** David referred to the committee's minutes that were handed out. The committee is reviewing all homeless ministries of the parish. The committee requested

*"A Growing community making disciples who love and serve Christ and His world"*
