Please Note: There will be no wedding photography/videography done without a signed letter of agreement.

STILL PHOTOGRAPHERS:

- Photographs may be taken before or after the wedding. Photography before the wedding should conclude at least 30 minutes prior to the start of the wedding. Photographs taken after the ceremony should take no longer than 45 minutes.
- There is NO flash photography permitted during the service once the music for the wedding has begun. This includes the music that is played prior to the wedding service.
- During the ceremony, the photographer must remain in the back of the Cathedral, behind the last row of wedding guests.

VIDEO PHOTOGRAPHERS/ VIDEOGRAPHERS:

- A place is available for one video camera in the front of the Cathedral, between the altar and the choir pews, which may be used to video the entire wedding. No movement around the altar rail may occur. A second video camera may be placed in the narthex (lobby) at the back of the church.
- No artificial lights or reflectors are to be used, and monitors must not be visible to the congregation.

I have read the above agreement and hereby indicate my willingness to abide by these rules set forth by Trinity Episcopal Cathedral. I also understand that if I do not abide by these principles that I will not be allowed to take photographs or video at future weddings at Trinity Episcopal Cathedral.
